WORK EXPERIENCE

Digital Dreamscapes: Ascension

Technical Lead

Covenant University

Nov 2024 - June 2025

- Led technical execution of **Ascension 2025**, a multi-round coding competition with 28 participants, including challenge design, judging logic, and infrastructure planning.
- Built internal tools (e.g., JudgeBot) to streamline judging, scoring, and data collection across all rounds.

MindMaze Architects (*School Competition*)

Software Developer

Covenant University

Aug – Sep 2024

- Collaborated with a team of 3 developers to design and develop a word-game application using Python's **pygame** library, delivering the final product **1 week ahead** of schedule.
- Leveraged **Git** for version control, leading the team's codebase management and merge processes, and ensuring smooth collaboration across development phases.

Pion

Web Developer

Covenant University

May 2023 - 2024

- Designed and developed the company's landing page using **Hocoos website builder**, customizing the layout and functionality to meet business requirements.
- Tweaked and optimized the underlying **HTML and CSS** code to improve website performance and user experience.

LEADERSHIP EXPERIENCE

- Head Prefect – Redeemer's University Staff School**
- JETS Club Vice President - Redeemer's University Staff School**
- Advisory Head – Digital Dreamscapes**
